

# PRIVATE PILOT COURSE

## FLIGHT PLANNING EXERCISE

# PLAN A FLIGHT

Plan a flight from Renton, WA (RNT) to Tillamook, OR (TMK). The Tillamook Creamery is having power issues so they are giving away as much ice cream as you can eat before it melts! *(Tillamook is the best)*

Complete planning with 3 adults (180 lbs) and 1 child (80 lbs). It is a warm, clear summer day – perfect for ice cream!

# TASKS

---

1. Determine Route
2. Determine Cruise Altitude
3. Select Waypoints
4. Plot Course(s)
5. Complete Navlog
  - Weight & Balance
  - Performance
6. Collect Airport Information
